

**April 21, 2022 ASHRAE Meeting**

***Hybrid meeting!***

**Join us live or log in to Teams for our guest speaker**

**Ms. Terry Kerwin**

**of RELIANT RADON SOLUTIONS**

**11:30am-1:00 pm**

**Topic: Radon Mitigation - Design and  
Governing Regulations**

Meeting location:

**Microsoft Teams or 5755 Mark Dabling Blvd, Conference Room**

Meeting starts at **11:30am** with food, then short announcements from Chapter leadership, then the **presentation starts** at approximately **11:45am.**

Accept the Teams meeting invite if attending virtually, or purchase your lunch ticket and then RSVP via email to Chris Freer if attending in person.

**In-person RSVPs are due Tues, 4/19 by noon please.**

RSVP Email: [cfreer@f-w.com](mailto:cfreer@f-w.com)

PLEASE purchase your lunch ticket at  
[www.pikespeakashrae.com/shop/](http://www.pikespeakashrae.com/shop/)

**Come learn more about issues with radon gas**

**Expected presentation items:**

- radon mitigation strategies
- designing for radon removal
- codes, regulations and best practices
- probably a few good, bad and ugly stories.
- And more!

Terry is the owner of Reliant Radon Solutions and has significant experience in the industry. Come learn about issues that design professionals need to consider.
